

## University of Maryland Pitch Dingman Scholarship

September 15, 2017

Chesapeake Apothecary is proud to announce the renewal of our support for the Dingman Center for Entrepreneurship's Pitch Dingman Competition. The Dingman Center is the entrepreneurial hub at the University of Maryland's Robert H. Smith School of Business.

The Pitch Dingman Competition is an annual business competition in which students compete for more than \$30,000 in start-up funding. It consists of a fall Semi-final round and a winter Finals competition. Chesapeake Apothecary is excited to be supporting entrepreneurial minded students in this way.

"As a start-up small business ourselves, part of our mandate is to invest in the next generation of business leaders and community members. Providing support to programs like the Pitch Dingman Competition ensures we are doing our part to further entrepreneurial activity in Maryland," stated Chesapeake Apothecary Chairman, Seth Erlin.

### **About Chesapeake Apothecary:**

Founded in 2015, locally owned, and located in historic White Plains, MD, Chesapeake Apothecary is Southern Maryland's Premier Medical Cannabis Dispensary. For more information, please visit [www.chesapeakeapothecary.com](http://www.chesapeakeapothecary.com).
